At Bhaskaracharya Institute for Space Applications and Geoinformatics

05/2019 - 06/2019

Gandhinagar,India

## EDUCATION

### M-Tech

Parul University

11/2020 - 06/2022,

Vadodara,India

### B-Tech

Parul University

06/2016 - 07/2020,

Vadodara,India

## Research Publication

A Review of Opportunistic Routing Protocols on various parameters

At IEEE ( 6th International Conference on Computing Methodologies and Communication)

An Efficient routing system for opportunistic networks based on social transitivity

At American Institute of Physics (AIP) ( PiCet-2022)

## HOBBIES

Chess

Painting Art

Teaching

## SKILLS

Analytical

Teamwork

Leadership

C

C++

Java

Python

OppNet

DTN

Javascript

HTML

CSS

Bootstrap 5

Laravel

MVC

MYSQL

JSP

JSF

Research

PHP

XML

Android

## PERSONAL PROJECTS

Smart Farming using IOT (07/2022- Present)

Portable ECG Machine using IOT (06/2022 -Present)

An Efficient Data Transfer Using Opportunistic Network (06/2021 - 05/2022)

Payment Using Face Recognition Using Open-cv And CNN (10/2019 - 05/2020)

Chat Application like Whatsapp (01/2020 - 02/2020)

Web GIS (05/2019 - 06/2019)

E library (02/2019 - 03/2019)

## CERTIFICATES

Programming In C (07/2019 - 09/2017)

By NPTEL

Cloud Computing Using AWS (09/2021 - 12/2021)

By Parul University

## LANGUAGES

Hindi (Native or bilingual proficiency)

Guajarati (Native or bilingual proficiency)

English (Full professional proficiency)

## INTERESTS

Research

PHP & Java Programming

Machine Learning
